CHECK OUT THE WEBSITE

Many great things are happening online at www.piyc.com. We offer three services to all members of the club. The website carries a web page that advertises businesses through which PIYC members are affiliated. The cost to advertise on the page is \$25 per year. Your advertisement will have your web page linked along with your business card and any other information that you would like to present, color or black & white. If you already own or carry a website, we will link it for you for no additional costs. The web site also carries a web page that helps members sell items including BOATS! For \$20 per year, the website will post a picture of your boat, information about the boat or item, and contact information. We also have a web page that lists all the members of the club that want to be listed along with his/her e-mail address. If you would like to be on the Membership Roster web page, please contact Mark Eisert at piyc1944@verizon.net or call at 734-6785.

2005 CLUB CALENDAR

Enclosed is the 2005 club calendar listing the year's events. Many great activities will be taking place this year and by taking part in these events will help make 2005 a great year for the club. A few changes were made from previous years. The Fleet Captain has added several extra parties and has moved some others around. Also our Junior Members will be serving breakfast several times again this year. Please make every effort to attend these great functions to help support the club and the people who put a lot of hard work into putting on these functions.

FEES DUE

Don't forget to pay your club membership dues and assessment fee by February 28th, 2005. Everyone should have received their dues statement by this time. If you have not, you may call Treasurer Paul Schroeck at 454-6557. Be sure to fill out the back of the statement and return it with your payment. This is very important! Failure to pay your bill by the end of February could result in the loss of your mooring for the upcoming season.

COMMODORE'S COMMENTS

I would like to express my thanks and gratitude to the membership and officers, for the election process and results of the first event of the year; the installation of officers. I would again thank Msgr. Snyderwine, P/C Jim Campbell and P/C Bud Ross for their job well done in the installation process. I look forward to Opening Day and a successful boating season. I'm in hopes all of the membership feels the same. There is a lot of work to be done this year; the docks being top priority. There will be many other projects as always, to the clubhouse and grounds. I am also looking forward to a successful boating season. You the members have chosen a great bridge and board for me to work with. I am sure PIYC will go forward and flourish in this 2005 season. Good boating and good luck to all.

Thank You
Lloyd Hollister, Commodore
